

THE EMBASSY
OF THE REPUBLIC OF UZBEKISTAN
TOKYO

Dear Sir/Madam,

It gives us pleasure to invite you to Tashkent International Investment Forum 2020, which will be held on March 5-6th in Tashkent. In the framework of the Forum a number of events are planning to be organized, including business forum, G2B/B2B meetings, exhibition of economic potential of Uzbekistan, cultural and tourism programs, etc.

The Forum is a by-invitation-only exclusive gathering of 1500+ senior international, Central Asian and Uzbek business and financial executives, investors, thought leaders and international media - convened by the President of Uzbekistan, H.E. Mr Shavkat Mirziyoyev, with the participation of key government economic officials.

The Tashkent International Investment Forum is a platform for collecting detailed information about the investment potential of the Republic of Uzbekistan, as well as an opportunity to establish direct contacts with Uzbekistan partners and discuss possibilities for mutually beneficial cooperation.

We expect to welcome more participants from Japan in the light of growing interest from Japanese side to develop mutually beneficial cooperation with Uzbekistan.

For further information, please visit following official web-site of organizers of Tashkent International Investment Forum <http://www.tiif.uz/en/>.

ORGANIZERS

The Government of the Republic of Uzbekistan
The Ministry of Investments and Foreign Trade of the Republic of Uzbekistan

PARTICIPANTS

The Forum is a by-invitation-only exclusive gathering of 1500+ senior international, Central Asian and Uzbek business and financial executives, investors, thought leaders and international media - convened by the President of Uzbekistan, H.E. Mr Shavkat Mirziyoyev, with the participation of key government economic officials.

WHY UZBEKISTAN?

- Building momentum for sustained economic expansion;
- Stable macro-environment and strong GDP growth (5%+);
- Young and well-educated workforce of 18.5m, with 97% literacy rates;
- Already a resource rich country (energy, mineral, agriculture), the government has launched an ambitious economic diversification and liberalization economic program;
- Over last six years Uzbekistan has climbed 90 places in the global ranking for ease of doing business and additional measures are being taken to improve the investment climate;
- Advantageous geo-economic position allows Uzbekistan to benefit from robust regional demand factors.

The Tashkent International Investment Forum provides an opportunity to:

- Explore new developments in the country's business environment and help shape and actively participate in Uzbekistan's next generation of development;
- Identify and execute specific projects capitalizing on the massive logistics infrastructure build-out germinating from regional initiatives, including Eurasian trade route infrastructure projects;
- Gain a comprehensive understanding of the government's economic liberalization program;
- Deepen understanding of major FDI projects and privatization measures;
- Network with the country's and neighboring region's business, finance and government leadership;
- Serve as a spring-board for access to the Central Asian markets.
